### Who we are and why we want you to Ride for Matt.

Family man, cyclist and friend, Matthew Wietrick, was seriously injured while riding his road bike in the early morning of February 5th, 2011. His friends and fellow cyclists are putting together a charity ride on June 12, 2011 to help Matthew both emotionally and financially. Matthew's family and friends would like to invite you join the ride and support him in his journey back to health. The road to recovery is a long one, but with your support can be one filled with courage and hope.
